DIGITAL PHOTO FRAME AND TABLET PC

CREATING NEW KODAK MOMENTS FOR TODAY'S WORLD.

140⁺
YEAR
Since 1880

1000⁺
CORE
patented technology

A new generation is rediscovering the magic of analog and augmenting it with the power of digital. They are inspired by the endless possibilities as film and print meet cloud and mobile. Kodak is creating new products, services and experiences that seamlessly integrate analog and digital technologies.

ABOUT US

Maxtalent Industrial Limited specializes in the manufacturing and distribution of high-quality consumer electronic products at competitive prices. With a decade of experience in the industry, we offer an extensive range of cutting-edge technology for affordable home electronics, including Digital Photo Frames, Portable and Bluetooth Speakers, Sound Bars, Tablets, Aroma Diffusers, etc. Our product portfolio features renowned brands such as KODAK, THOMSON, BWJBSW.

Furthermore, we specialize in manufacturing products under private label for major retailers. We are committed to continuously refining and innovating our offerings to establish ourselves as a leading provider of consumer electronics that not only meets but also exceeds the ever-evolving demands of consumers in this dynamic market.

Kid-Friendly App

A popular educational app for children, providing a safe environment with a range of learning activities, including games, videos, books, and apps for various age groups.

Parental Controls

Ensure the tablet has strong parental control features so you can monitor screen time, block inappropriate content, and set up usage limits.

Durability

Kids tend to be rough on devices, so look for tablets with durable, shockproof cases and screens that can withstand drops.

Age-appropriate Content

Make sure the tablet supports apps and content suitable for the child's age.
